

## WALT about alphabetical order.

Read the list of words with the person sitting next to you.

Work out which order they would be in a dictionary - alphabetical order. Don't forget to check the second letter.

Example: chair, sausage, picture, spiral

➔ chair   picture   sausage   spiral

1. desk, computer, frog, window, flower
2. pencil, whistle, jelly, lamp, water
3. secret, sleeve, soap, smile, sword

*Have you finished? Great!*

Can you try to write the days of the week in alphabetical order?

Can you write the months of the year in alphabetical order?
